DONATION & SPONSORSHIP

Calusa Brewing believes that charitable giving and community outreach are a vital part of what we do. Some of the charities we have worked with in the past include, but are not limited to:

- Operation Second Chance
- InStride Therapy
- Young Survivors Coalition
- Sarasota Humane Society
- Girls Inc.
- Toys for Tots
- One More Wave
- Mission Mexico

We recognize there are many worthy causes to support and we wish that we could support them all. However, due to the high volume of requests we receive, we are not always able to do so. If your organization would like to apply for a donation from Calusa Brewing, please keep in mind the following guidelines prior to submitting your application as all are cause for immediate decline:

- We do not offer cash donations or sponsorships.
- All requests must be received at least **6 weeks** prior to the date of the event. There is no exceptions to this policy as we require time to plan, brew and allocate for events!

- Only **legally licensed and properly insured** events will be considered. Florida law prohibits us from donating beer to any unlicensed event. Any charitable function held on public property must have a temporary liquor license designated to the charity by the Florida Department of Business and Professional Regulation. Events held in an already licensed premise must be open to the public and the beer must be furnished free of charge or without implied sale for donation. More information on obtaining this ODP license may be found here: https://www.myfloridalicense.com/CheckListDetail.asp?SID=&xactCode=1030&clientCode=4002&XACT_DEFN_ID=6770
- All donations or sponsorships must be associated with an approved 501c3 non-profit organization. We require a letter of determination proving 501c3 status as well as a signed letter from a chair of that organization, or official to accompany all submissions.
- Due to the high volume of requests, we automatically decline all requests for sponsorship of the following: Intramural/amateur sports teams and leagues, golf outings and tournaments, motorsports and band related activities. We also do not participate in sponsorships for political and religious organizations, or any event directly involving the presence of children (i.e. school related events or youth athletics).

*Please note that while charitable giving is part of our mission, our primary focus remains on our business practices. We do not ever close the tasting room for private events and responses to inquiries may take up to 10 business days.
